Sir:

As part of the documents supporting the Request For Continuing Examination filed on September 9th, 2003 with the U.S. Patent Office, applicants presented their substantive Response in full to the most recently received (final) Official Action mailed April 11, 2003 for the above-identified application.

Subsequently, A Notice of Non-compliant Amendment was mailed on October 1st, 2003 which identified non-compliance in form of the amendment to the claims made filed September 9th, 2003. This Reply therefore presents the claims in a form and manner which is in full compliance with the mandatory revised amendment practice of 37 C.F.R. 121. A complete listing of all the claims, including withdrawn claims, in ascending numerical order is presented, beginning on the immediately following page.
